Boat Trip Information

Your trip will last approximately an hour leaving from our mooring adjacent to the Paxton netting station. You will travel upstream, below the Union Chain Bridge, as far as Horncliffe Shiel and the Black Hole! There will be many photo opportunities, with a wealth of wildlife to be observed en route.

To avoid disappointment we strongly recommend advance booking on (01289) 386291.

Safety Information

Please ensure you are dressed appropriately – the boats are open to the prevailing conditions; it is often windy and much cooler on the river. Suitable footwear should also be considered, no high heels for instance! Fully certified life jackets are provided for your safety.

If, for any reason, our experienced helmsmen decide the conditions are unsuitable, in the interests of passenger safety, they may cancel a trip. This is entirely at their discretion.
