Paxton House News

We want to take a moment to thank all our customers for their continued support. You have made it a very busy season again and it makes our job so worthwhile when we get such wonderful feedback from yourselves.

'Overall a charming house preserved in the Georgian style, I loved the guided tour, the tour guide was lovely and very informative, the stories of the houses family was really interesting and I thought the house to be different to others I have visited.'

'We had an evening meal tonight and it's was amazing. The service was great and the food was amazing. Great that we could bring our own wine and no corkage!! Amazing food cooked perfect can't wait to come back.'

'Brilliant afternoon tea to celebrate my surprise baby shower/leaving lunch. Very good value for money and absolutely delicious. The staff couldn't of been more helpful or accommodating. Will definitely be back again.'

'This is a must visit for anyone it has fantastic views beautiful gardens and highland cattle. The house is amazing it just takes you back to Georgian times, the kitchen is still in working condition the day we went there were school children dressed in the period clothing and they had been cooking.'

In October a group of 3rd and 4th year students from Eyemouth High School took over Paxton House. It was a day full of success and even got covered in the local paper. They were all well organised and dressed in their period clothing, whilst cooking up a storm in the old kitchen, taking over our social media and running the house tours. A big congrats to them as they did a fantastic job and we are hoping it can continue next year.

Another successful evening for our Pop-up dinner in October, with pigeon for starter and beautifully cooked venison steak for mains being the most popular choice for the evening. The afternoon teas were another wonderful occasion in the Picture Gallery, with the Steinway playing in the background and the food continuously flowing there was something for everyone.

Please take a look at some of the beautiful photos from the weddings at Paxton House this season, it really is a spectacular venue for your dream day. We had some really special couples through the house this year and we were so pleased to be apart of their special day and we wish them all the best.

Many thanks again to all our visitors, your support is deeply appreciated.
